

2024 Partner Sponsor Benefits

We appreciate your commitment to our community and to Kaniksu Land Trust. Partner sponsorships have allowed us to grow our organization and strengthen our conservation efforts, educational programs and recreational opportunities for all.

Each year, Kaniksu Land Trust hosts two signature events that allow for sponsor participation and recognition. In each case we seek to utilize sponsorship support to cover event costs so that ticket proceeds and registration fees can directly benefit our programs. This is only possible with your support.

Kaniksu Land Trust Signature Events

Pairings in the Pines

This progressive tasting event invites guests to circumnavigate the Pine Street Woods Meadow while sampling professionally prepared appetizers paired with thoughtfully selected wines, all while immersed in the sights and sounds of a picturesque setting at the forest's edge. July 11, 2024

Attendance 130–150

Feast in the Forest

This experiential outdoor dinner showcases Pine Street Woods and the work of the Kaniksu Land Trust. Guests will spend an evening in the Woods savoring a 5-course meal, specialty drinks, wines paired to each course, and music. The evening will awaken the senses and remind guests of the importance of nature in their lives. September 14, 2024

Attendance – 60

ADDITIONALLY, IN 2024 -- IN A LANDSCAPE: Classical Music in the Wild

IN A LANDSCAPE is an outdoor concert experience where nature replaces the traditional concert hall. Pianist Hunter Noack travels the West with a 9-foot Steinway grand piano on a flatbed trailer to working ranches, farms, historical sites, and, this July 29, to the Pine Street Woods. To meet the acoustical challenges of performing in the wild, sound is transmitted to concert-goers via wireless headphones

Attendance – 350

What do these event proceeds support?

Your support makes possible the conservation of important private lands and public access properties, the offering of innovative educational programs that build health and resilience, and the development of recreational opportunities that are accessible to all members of our community and will help support a vital local economy.
